

What You Get with your drug plan

Here's a good way to control your prescription drug costs now — and in the future!

Good for you! Having reliable prescription drug coverage is important. Drug costs can be expensive, and finding a plan that offers you the right combination of coverage and price can be difficult. That's why Arkansas Blue Cross offers you a Medi-Pak Rx plan to fit your needs and budget. So you can have coverage to reduce the cost for prescription drugs you may need now — or in the years ahead.
